NOTICE

This is to inform all the II, III, and IV B.Tech. students of AY 2020-21 I semester that during the ongoing mid semester examinations (online) the students are requested to adhere to the following guidelines. This is in addition to the earlier circulated guidelines.

1. The students should complete the scanning and submission of answers question-wise. Students should avoid keeping the scanning of answer scripts towards the ending of the examination to avoid bottlenecks at the end.
2. Each examination is provisioned with an extra time of 15 minutes to accommodate the scanning delays.
3. No student will be provided any extra time beyond the time set for the exam.
4. The class coordinator's decision is final in the context of any specific problems brought before by the students in attending the exam.
